

### ***What is Bobslist?***

Bobslist is a Google Group that allows the Bob Woodruff Foundation and Got Your 6 Network partners to share upcoming events, opportunities, and news. We want to celebrate and support your great work and this a great way to connect with partners across the country. The purpose of Bobslist is to connect with, inform, and inspire our network of changemakers. **Together, we'll:**

- **Connect** to support and amplify the work of our grantees and local partners
- **Inform** our community of practice about time-sensitive opportunities
- **Inspire** one another's work by sharing success stories, insights, and ideas

#### **We encourage you to:**

- Tell us what you're proud of right now (success stories, small wins, milestones, and other great news)
- Share insights and ideas, including what you've learned about the veterans you serve
- Include draft social media posts and/or links for items you'd like the network to amplify
- Amplify relevant posts from other contributors
- Ensure anything you share is:
  - ready for public release
  - something you'd be happy to share with a prospective funder
  - nonpartisan

#### **Please refrain from:**

- Sharing any messages or media that:
  - infringe upon the privacy of your clients or team
  - are overtly partisan
  - include misinformation or disinformation
  - contain copyrighted content or other content that you are not authorized to share
- Using this forum for questions about grant issues or administration (please reach out to your Bob Woodruff Foundation program officer instead)

***PLEASE NOTE:*** When you share content with Bobslist, you are giving the Bob Woodruff Foundation permission to amplify your content across our communications channels (to include social media, email, presentations and publications, and traditional media).
