

Your story has **IMPACT**

BACKGROUND

- Military affiliation
- Transition experience if applicable
- Challenges that led to required support
- Attempts the person made to overcome these obstacles before finding your organization

CONNECTION

- How was the person connected to your program?
- What service(s) did your organization provide? Were creative solutions required?

NEXT CHAPTER

- Where is the person now?
- What is new or different in their life now that the previous obstacle(s) aren't there?
- Share a quote, from the person or a staff member who worked with them

Each story and experience has the power to help others.
